Competition

This was a year for all of us to remember: for the freshmen — it was their first year here; for the sophomores — it was the year they could find their way around the school; for the juniors — it was the year they became upperclassmen; and for the seniors — it was their last year to haunt these halls. The year 1966-1967 at Maine West is now a memory. We will remember the major events: a successful Senior Class play, *You Can't Take It With You*; the first all-school play, *The Glass Menagerie*; the Christmas formal, "Silhouettes on Blue"; a great V-Show, "Patchwork of People"; Christmas and Easter vacations; and the wonderful musical, *Flower Drum Song*. But what about the little things that we so often forget? How long will we remember the nine-period day, twenty minutes for lunch, collecting for a birthday, pop quizzes in history, senior superlatives, decorating for dances, trying out for the plays and musical, making M-Club, and the NEDT, CEEB, ACT, and Iowa tests? This year's *Legend* tries to help the student recall his high school days. We live in a little world of our own which revolves around Maine West. In presenting both the major and minor events of our school life, the 1966-1967 *Legend* staff has tried to present the complete picture of "The World of Maine West '66-67."

He takes time out from a hectic schedule.

Assistant Superintendent

Mr. Ralph J. Frost, Jr.

Mr. Frost's duties concern the preparation of class schedules, the evaluation of accelerated courses, the selection of texts to be used, and the hiring of teachers. In case of the absence of the superintendent, Mr. Frost would assume Dr. Short's responsibilities as well.

Principal

Mr. Herman L. Rider

The principal has to be an educational leader. Mr. Herman L. Rider fills the bill, for he provides excellent guidance for teachers and students alike. He is constantly evaluating this ever-changing school, and he strives for the improvement of it.

Assistant Principal

Mr. Robert A. Wells

The many administrative duties of the assistant principal, Mr. Robert A. Wells, include supervising instruction and classroom procedures, notifying substitutes, arranging fire drills, approving excursions, and checking the eligibility of athletes.

Board of Education Maintains Schools

The Board of Education has the pressing responsibility of complying not only with the Illinois state laws, but also with the needs of all of the high schools in Maine township. Ways and means must be found to finance ever-expanding educational and building programs. Other jobs that fall to the Board of Education include the maintenance of the schools, the establishment of policies and regulations under which all schools operate, and the selection of a superintendent. The work of the Board of Education is truly reflected in every phase of student life.

Custodians Keep Maine Spotless

Steve Fortuna, Maine's Equipment Manager

The maintenance staff does much to promote the clean, friendly atmosphere around Maine. Not only do they keep the inside of the building as spotless as is possible with 3,000 teenagers around, but they also are responsible for the well-groomed grounds on the campus.

They're the ones who remedy a lock on backwards or get something which has fallen behind the lockers. They also work hard during the summer months painting and repairing to make return in September as painless as possible.

Under the direction of Mr. Serone the twenty man staff works tirelessly to keep the school sparkling and free of debris.

Art Department Develops Creativity in Students

The Art Department presents the challenges and opportunities of creativity to interested students. Perception, sensitivity to good design and craftsmanship, and awareness of different moods and feelings are developed in students by this department. Driver's Education Produces Safe Drivers of Future

In their sophomore year students are required to take Safety Education. This course prepares future drivers by teaching them about the parts of the car, types of insurance, state laws concerning driving, and proper attitudes for safe driving. Those who successfully complete this course are then able to take Driver Education, where they gain actual behind the wheel experience. Emphasis is put upon developing self discipline, courtesy for other drivers, and driving skills. State examiners give road tests at the end of the course which enable qualified students to get their drivers licenses.

The language department offers five foreign language programs. Courses include four years of German, French, Russian, Spanish, and Latin. By taking a foreign language a student can gain good foundations in grammar, vocabulary, and conversation. Language laboratories have been installed in three classrooms. These additions to the language department have helped increase the students' capacities to understand and communicate in a foreign language.

English Department Stresses Communication and Appreciation

A STUDENT CAN LEARN TO EXPRESS HIMSELF and to communicate with others in an intelligent manner. Courses in the English Department help students to improve their skills in reading, listening, grammar, and understanding literature. Students learn to recognize and appreciate good literature and to produce skilled writing on their own. With these assets, they can develop a character and live a much more meaningful life.

Music Classes Offer Fun, Hard Work

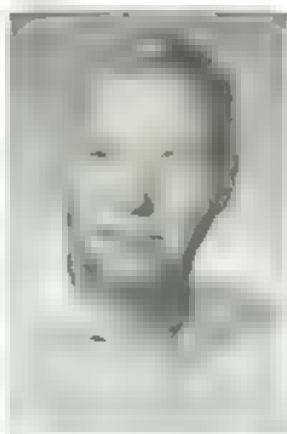

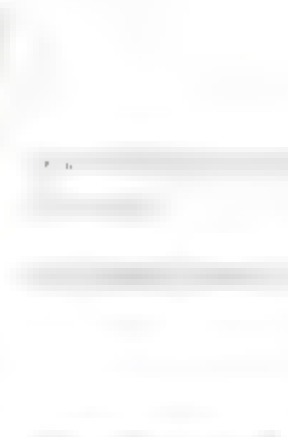

This department offers a variety of courses for students interested in writing, singing, playing, and studying music. In the music department students learn to express themselves and gain a sense of self discipline. Beginning band and orchestra, girls and boys' choruses, music appreciation, and Harmony I are among the courses which are available to students just beginning in the musical field. More advanced students can join the intermediate groups and the concert organizations of band, orchestra, and chorus. The Show Band, combos, Choraliers, and the string quartet are offered to students who are interested and especially talented in music.

The main goals of this department are to give boys an opportunity to participate in a variety of sports, to develop sportsmanship and help them improve their athletic skills. Each year the boys are given two physical fitness tests. If a student scores higher than 500 points on these tests, he may become a member of the "500 Club." The Physical Education Department also offers an intramural sports program which allows boys who are not competing in an inter-scholastic sport to participate in a competitive sport if they wish.

This department helps girls to develop both mentally and physically. During their four years in high school, girls participate in swimming, field hockey, softball, basketball, and modern and social dancing. The girls are taught the basic skills in each area and learn the importance of good sportsmanship. Through the junior and senior leader program girls can develop responsibility and leadership. Homecoming A Year

1966 for Victories

Sheila Quinn, Homecoming Queen

October 8, 1966 dawned to be one of the best Homecomings Maine West has ever had. The weather was beautiful-sunny, warm, and clear. The parade of nine floats and nineteen cars started in Cumberland, went through town, and arrived at Maine at 11 30 a.m., at which time the Student Council float broke down.

The football and cross country teams were victorious. Cross country defeated Forest View 23-32. The Junior Varsity and Varsity Football teams also triumphed over the Falcons, and the Varsity score was 34-14.

At halftime the floats were paraded around the football field. The Senior Class float, "Falcons, Breakfast of Champions," won first place in the float competition. Juniors and sophomores placed second and third respectively. The candidates for Homecoming Queen were also introduced at this time. They were Pam Fisher, Jan Grubert, Nancy Gunn, Sheila Quinn, and Terry Snow. Last year's queen, Pat Silk, presented the bouquet of red roses to Sheila Quinn, the 1966 Maine West Homecoming Queen.

The Homecoming Dance was a fitting climax for such a rewarding Homecoming Day. Music for dancing was provided by the Lon Lindy Quintet. Three-year old Susie Jeronimus carried in the Queen's crown; and Joe Richardson, president of the Senior Class, crowned a radiant Queen Sheila. The only mishap was that the queen's and court's roses had been inadvertently placed in a freezer.

Music Department Presents 'Elijah'

Elijah

An oratorio by
Felix Mendelssohn

Elijah, by Felix Mendelssohn, was presented by the Maine West Music Department on April 1, 1966. Maine was among the first high schools in this area to attempt to present this difficult oratorio. This year *Elijah* was presented instead of the usual spring musical. There were approximately 275 people participating in the program, including all of the vocal groups and the Concert Orchestra. Four professional soloists also performed. These soloists were Mr. Dale Gilbert, Mr. Howard Dill, Miss Arlene Blaha, and Mrs. Marjorie Ebel. The *Elijah* tells of the people of Israel who have been suffering many years in a drought. The prophet Elijah tells them to forsake their pagan god Baal and pray to the real God. When they are finally convinced of the truth of Elijah's words, God sends a rain to their parched land.

The campaigning took place between 7 and 8 on Monday, Tuesday, and Wednesday mornings. All candidates were provided with a gym to give them the opportunity to present their platforms. Combos provided music for entertainment. Campaign headquarters were open every day for students who wanted to help with their candidates' campaigns. Posters, tags, and stickers representing the various candidates were displayed throughout the school. At the "Election Jitney" that Saturday night the new officers were announced: president-elect: Bill Zografos; secretary-elect: Linda Wells.

Students interested in on-the-job training or earning money for college may apply for this program. Applicants must be sixteen years old and have eight credits by the end of their sophomore year. The coordinators, counselors, and teachers discuss the applications; but the individual program coordinators make the final decisions. The day is divided so that the student goes to school for half a day earning two credits and works the other half. One period a day is set aside for classroom activities which are related to the work program. One credit is earned for the related classroom activity and one for the on-the-job training.

LOVE TO YOU ALL

I do not know how to express my gratitude for the kindness and the true friendship you showed me during my great year. I wish I could have known all of you, but I should not say this, really. I do know all of you; it's just the names I confuse. Each one of you contributed something to the warmth I felt at Maine. Because of the little smiles given me in the hallways, I knew I was never a stranger.

You know you are all with me now—coming along in my memories—wherever I go. You will travel with me this way. But if you asked me how I liked Maine, I would tell you I loved you all; and I did not know it would be this hard to leave you.

The *Legend*, which is part of the tradition of Maine West, is composed of individual, club, and athletic pictures and various candid shots. In later years the students will cherish the memories of high school days brought back by the *Legend*.

The Boys' and Girls' Senior Leaders serve as teacher-assistants in the various gym classes. Before any student can become a Senior Leader, he must first complete the Junior Leader course. Senior Leaders are chosen on the basis of such qualities as integrity, responsibility, promptness, and cooperation. Warriors Gain Co-Championship With Arlington in Mid-Suburban Conference

The Warriors of Maine West had another successful season this year as they earned part of the Mid-Suburban Conference football title, sharing it with the Arlington Cardinals. This was the first year that the Cardinals were members of the Conference, and they proved to be a formidable opponent. But the Warriors treated them just as they would any other team and put out their usual "110%" and battled the Cardinals to a tie in the first meeting between the two schools, giving both teams a share of the championship.

Maine West started out their 1966 season by traveling to central Illinois to take on the Peoria Central team. The trip proved to be a success as the Warriors whipped the strong team 19 to 7. The outcome showed the Maine West fans what they could expect from the mighty Warriors. But the hopes for a possible undefeated season were smashed the following Saturday when the Warriors hosted the Maine South Hawks in the first game ever to be played between two Maine Schools. The Hawks overpowered the Warriors and took a 28 to 7 lead in the final period, but the Warriors fought back valiantly. They scored twice in the fourth quarter with the last touchdown coming in the final minute of play, but they couldn't regain possession of the ball. The Hawks emerged the victors of a 28 to 21 battle.

The following week saw the Warriors take on their arch rivals, the Knights of Prospect. The Maine West team played a good game and came out with the traveling trophy for another year by beating the Knights 14 to 7.

After the Prospect Knights, the Maine West gridders met the Forest View Falcons for Maine West's Homecoming. The long hours of practice proved successful as the Warriors trampled the Falcons by a score of 35 to 7. The Warriors grabbed onto an early lead and fought continuously to ward off the Forest View drives. The highlight of the game was the Homecoming Parade and the announcing of the Homecoming Queen. The Seniors took the honors in the float competition with their 'Falcons Breakfast of Champions' while Miss Sheila Quinn was crowned the Homecoming Queen.

On the following Friday evening the Warriors traveled to Arlington to battle the Cardinals for the Conference lead, but the game ended in a 14 to 14 tie and enabled both teams to remain undefeated in Conference play. After the Cardinals the varsity

gridders of Maine West took on the Palatine Pirates. The Warriors were out for a little revenge as the Pirates were the only team to beat the Warriors in the 1965 season and took away the Conference Championship for that season. This year the Warriors showed the Pirates that Maine was the stronger team by trouncing them 40 to 14.

The Warriors then proceeded to take on the Cougars of Conant. They didn't find much of an opposition in either the offense or the defense of Conant as they soundly defeated the Cougars 48 to 0. The Warriors had a real hey day in the third quarter of that game as they scored 35 points. In the last game of the season, the Warriors hosted the Wildcats of Wheeling and beat them by the score of 15 to 7. The Warriors cashed in on a number of fumbles and were able to keep good field position due to poor punts on the part of the Wildcats.

The Warriors placed seven men on the All-Conference Team and football Captain Craig Rowells was named to the All-State Team. Voted the Most Valuable Member of the Varsity Squad was Halfback Ken Mandelky. Coach Olson presented 38 varsity letters at the Dad's Club Awards Night which officially ended the 1966 season.

The Maine West Warriors brightened up the spirit of Maine West with every win during the season. They returned to Maine the tradition of winning and pride in the Warriors. This year the Warriors wound up in a third place tie with the Wildcats of Wheeling in the Conference standings. Though their record and standings could be improved in future years, it will be a long time before Maine West will be able to view such a game as the second meeting between the Warriors and the Arlington Cardinals, which the Warriors won in the final seconds.

Cross Country Team Takes Seventh in State

For the first time since Maine West has been in existence, the Varsity Cross Country squad ventured to Champaign for the State meet. Led by Junior Lee LaBadie, who placed fourth in State, the warriors grabbed seventh position as a team. Also included in the success of the fall season was a co-championship in Conference and second place in District behind the eventual State champion, Evanston. The Conference championship was won with the Warriors easily winning the Conference meet after they had been edged out at a district meet 28-27 several days before by Arlington.

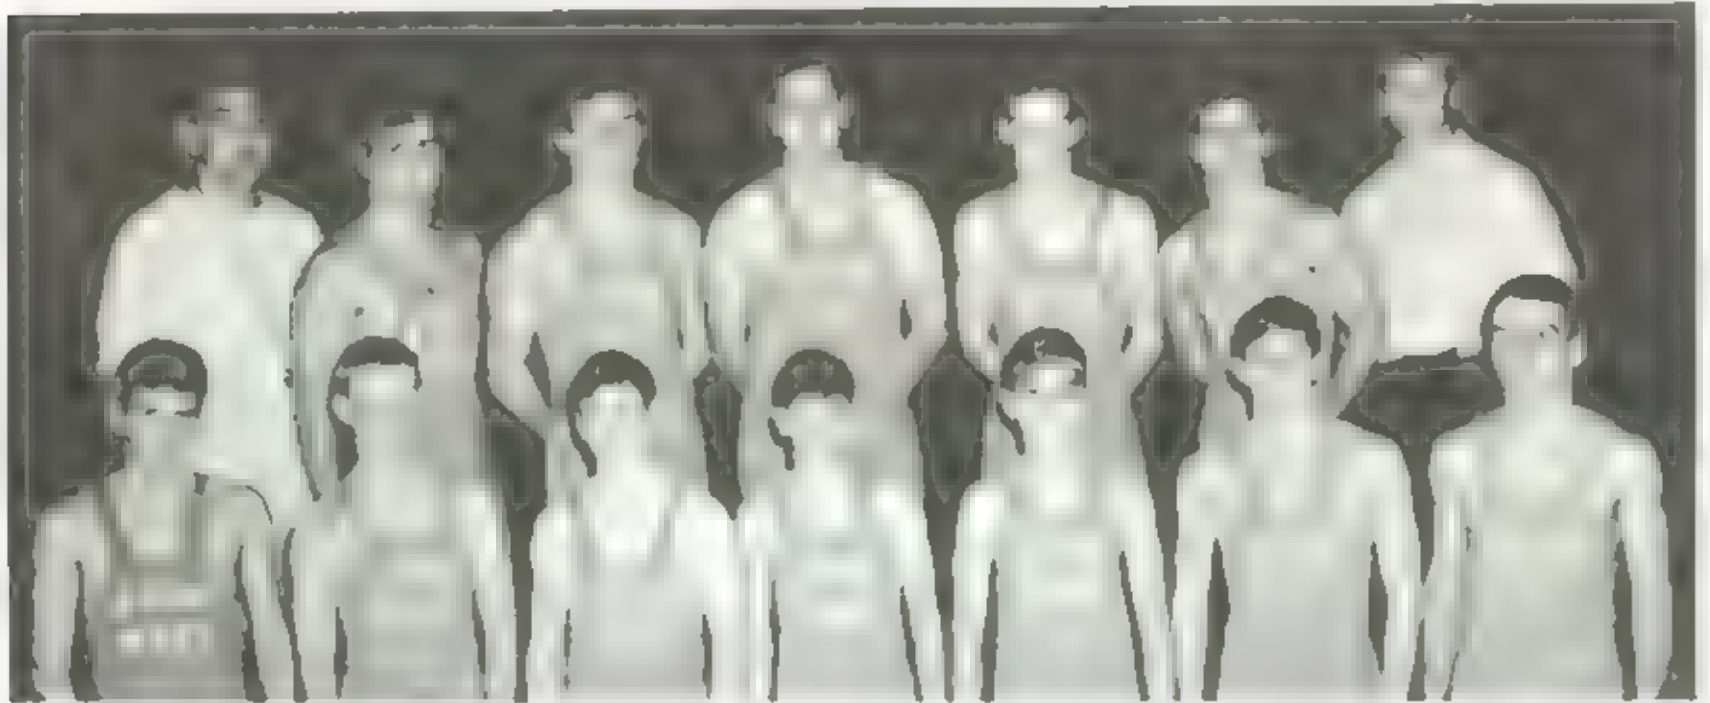

Prominent in the Warrior winning ways all season were LaBadie, Ed Lusk, Doug Chase, Scott Schlessner, Bill Deuser, and Jim Kesaris. Coach Bill Barringer has both LaBadie and Deuser returning next fall along with letter winners Paul Carter, Kurt Christensen, Bob Giltz, Bill Frost, and Scott Lewis.

The Varsity Wrestlers ended their season with five wins and five losses in Conference meets. The team showed a lot of strength but wasn't quite strong enough to top such rivals as Arlington, Forest View and Prospect.

Looking forward to next year, the Warriors will bring back nine lettermen, almost making up a complete team. The Warriors look like they will have a good team and excellent chances to take first in Conference and to place high in District ratings.

The 1966-1967 Varsity Swimming Team had a very successful season and ended with a 9-5 record. The team swam in the Central Suburban League. The tankers finished strong with close victories over Glenbrook South, Glenbrook North, and Elgin. The highlight of the season was the 400-yard freestyle relay team qualifying for the State Meet at Evanston by placing second in the District Meet. Marc Bonnuvier, Dan Brinkman, Chris Olander, and Tom Wenzel were the members of the relay. They placed twelfth in State competition, and the Maine West Varsity Swim Team was twenty-fifth in State.

The team picture was taken on January 23 before the late Coach Harold Baer became ill. Maine West will miss him as a teacher, coach, and friend.

The Maine West musclemen finished out their season with an over-all record of three wins and twelve losses with one tie. Their Conference record was two wins and four losses which gave them a fourth place standing. Taking first place in Conference was the second best team in the State—Prospect.

The highlight of the season for the gymnasts came in their meet against the Forest View Falcons in which everyone hit their routines to give the Warriors a two-point win.

In the State competition the Warriors sent Ron Sass and Larry Scully. Ron took a twelfth place on both the high-bar and the parallel bars and an eleventh place in the all-around competition. Larry Scully did the best in the State competition as he took a third place on the side-horse.

Tennis Captures '66 Championship

The Varsity Tennis team of Coach Roger King faced a rebuilding season this spring as their three top players were gone. Gus Herrero, who won the District meet and finished third in the State competition, and three-year letterman Dennis Doyle graduated, while Junior Tom Martin transferred away.

Coming back this season to carry on the winning tennis tradition that has been established were John Stone, Larry Scully, Hank Blau, and Don Clark.

This year the netmen attempted to add a third consecutive Mid-Suburban Tennis title to their back to back championships of 1965 and 1966. The team took second place in the District meet and also compiled a fourteen-game winning streak which was broken by the last meet of the 1966 season.

Larry Colfman tees off during practice

The 1967 Warrior Golf Team opened its season April 10 against Barrington at Barrington Hills Country Club. The Warriors had six returning lettermen to help the Maine West cause. After their first five meets, the Warriors had to find a new home course. They held their meets at the Park Ridge Country Club, which also allowed Maine East and Maine South to use its course.

The Warriors were in a rough conference but planned on doing a very good job and hoped to bring Maine West another Conference Championship.

Everyone Enjoys the M-Club Faculty Game

One of the closest M-Club versus Faculty games was played on December 7, 1966. The evening started with half an hour of warm-ups and cheers by both sides. M-Club members dressed up as cheerleaders, and five women members of the faculty cheered their respective teams. The last quarter started with the M-Club team ahead by one point. The faculty's experience showed in the last quarter by their taking the lead and winning by a score of 55-45. Mr. Richard Mueller and Mr. Robert Goerne led the Faculty team in scoring with nineteen and fourteen points respectively. Ed Lusk, president of M-Club, led his team with twenty-five points. Although a freak accident prevented Mr. Eugene Zuccarini from playing the entire game, everyone enjoyed the antics of the faculty and M-Club.

At football games, basketball games, special functions, and in parades, twirlers practice with the band to add precision to pre-game and halftime performances. The Twirling Corps often wear special costumes which are appropriate to their routines.

Maine Survives Blizzard of '67

The snow covered it

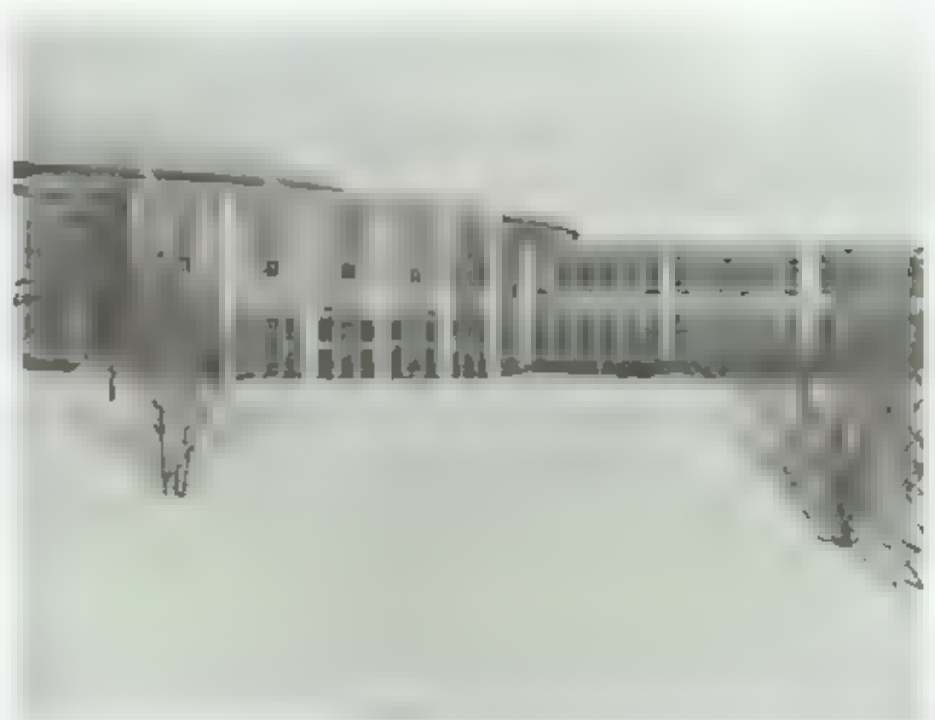

The great snowfall, which finally totaled thirty-six inches, began on Thursday, January 26. It began in the morning, and by the end of the school day all after-school activities had been cancelled to insure that all students would arrive home safely. Streets were closed; driving was impossible; food supplies were low; and Chicagoland activities literally came to a standstill. Buried under the great piles of drifted snow were the tollways, expressways, and the main thoroughfares of Chicago and the suburbs. The usual bustle of the city was temporarily calmed by the downpour of the snow. School at Maine West was cancelled on Friday, January 27, and the following Monday, January 30. By Tuesday the city had come to life again and classes were resumed, though many students were still absent because of the snow.

Mountains of snow were seen

Maine was closed for two days.

Girls dance to a swinging combo

'Turnabout' Attracts Large Crowd

Wishing well is wish on well

'Riviera Rhythms,' Maine West's 1967 Girls' Choice Dance, was held on Saturday, March 11, in the cafeteria. This year's dance was different from those of past years in that a combo played instead of a band and there were tables provided at which to sit during the dance. The Legends were the combo that provided the evening's music. The cafeteria was decorated with various travel posters; and the tables were covered with gay, red-checked tablecloths. All of the hard work and planning by the Maine West Girls' Club resulted in a very enjoyable turnabout dance.

HONORS

Students Become Merit Semi-finalists

This is the first year we have had this section in the yearbook. It was initiated to honor students who have accomplished an outstanding scholastic, athletic, or unique feat during the past year. All the students who have achieved an honor and are not mentioned in the section were omitted because of the deadlines that had to be met.

Ernest Kolton and Norine Meister are the two National Merit Semi-finalists from Maine West. The purpose of the National Merit program is to recognize students of unusual intellectual ability and promise and to help as many students as possible attend the college of their choice. Both fine students. Ernie and Norine represented Maine well.

Twirlers Add Color, Win Contests

Mary Ann Wallace

Last November Mary Ann Wallace was chosen Illinois Twirler of the year at a contest held in Aurora. Last autumn Mary Ann was named Des Plaines Twirling Champion. This competition enabled her to advance to the State Semi-finals and eventually win the State Championships. In her thirteen years of twirling Mary Ann has accumulated many awards and trophies and has entertained at many public events.

Carol Funk was the Solo Twirler for the Maine West marching band this year. Her presence on the field added sparkle and radiance to the halftime performances of football games.

At the Annual Scholastic Art Award Competition Maine West fared very well. Out of a possible 125 Gold Key Awards, Maine students took 61, as the various pieces of art were exhibited in the Randhurst Shopping Center Mall. The students from Maine West who won either a Gold Key, Blue Ribbon, or Hallmark Award were Corliss Belzer, George Bethuren, Joan Beyer, Janice Bobernac, Barry Burgess, Cathy Condie, Mary Ann Didur, James Dillon, Wil-

Center Craig Rowells gained extra recognition when the *Chicago Daily News* selected him to their All-State team. Tom Pyron was honored as an end, Ken Mandelky as a tailback, and Bob Banger as a halfback, while Al Fritz and Dick Manny gained Honorable Mention recognition. Manny and Fritz were also selected to the All-Conference basketball squad, while Greg Dolphin and Gary Curtin were All-Conference Wrestlers.

Chuck Wolr was the Drum Major of the Maine West Marching Band this year, and did a fine job leading the band and adding dash and color to band performances.

He stayed in California for about a week from December 26 to January 2. This band, in which Steve played his baritone horn, was made up of young people, ranging from ages 14 to 21, who came from all over the United States, Canada, and the United Kingdom. Nancy, Doug Win DAR-SAR Awards

Students Appear Twice on TV

Maine was represented by two sets of students who competed on television panel shows. Norm Hudson, Kitty Kinser, and Howard Tyler were contestants on "It's Academic," while Dan Thal, Glenn Ehrhardt, and Dave Busher appeared on WGN's "The Other Guy." Both performed creditably for Maine but did not earn return appearances

Each year the Daughters of the American Revolution and the Sons of the American Revolution honor one senior girl and one senior boy with their DAR-SAR Good Citizen Award. Students selected have excelled in dependability, service, leadership, and patriotism. Nancy Gunn and Doug Chase filled the qualifications and were presented with the awards. The purpose of the awards is to pay tribute to youthful character and to call attention to desirable qualities in good citizens. The faculty selected Nancy and Doug after the Senior Class had nominated them. By earning this honor, Nancy and Doug became eligible to compete for the Illinois Good Citizen Award.

In Memoriam

Mr. Harold G. Baer

March 26, 1967

Mr. Harold Baer joined the staff of Maine Township High School District #207 in 1938 as a physical education teacher and diving and track coach. Since 1944 Mr. Baer served as head swimming coach, and during that time he developed many outstanding swimmers and teams.

He was past president of the National Interscholastic Swimming Coaches' Association and of the Midwest Swimming Coaches' Association.

He will be remembered as a kind, sincere teacher who placed his students' welfare above all else, always striving to help them become not only better swimmers but better citizens. His friendly smile, sense of humor, and interest in all of his students will long be remembered.

The loss of Mr. Baer leaves an empty place in the hearts of all at Maine West—a place that will be hard to fill.

Closing

The *Legend* staff has tried to provide a record of the events of the past school year in this year's book. Without the assistance of Bob Theriault many of the candid shots could not have been taken.

Mr. Robert Izard, representative of the Norman King Publishing Company, did an excellent job of assisting us in the production end. Walinger Studio again skillfully handled the formal photography for the *Legend*. Ted Waskowski did a fine job with the Honors section, which was new this year.

Mr. George Walker, sponsor of the staff, provided encouragement, guidance, and help for the production of the yearbook. We would especially like to thank all of the faculty, administrators, and students for their cooperation during the sales campaign and photographic sessions.

A personal thank you is extended to the staff members who worked so hard to produce this "World of Maine West."
